**Property Improvement Request (PIR)** - Property owners that desire to add to and/or alter the exterior appearance of their home or lot must complete a PIR form and submit the PIR and all necessary attachments to MPOA, covadmin@montclairva.com, or submit through FSR Connect Portal. The MPOA shall act upon all fully completed PIRs within 30 days of receipt. All PIRs are reviewed by the Covenant committee twice a month in a public forum. See the MPOA calendar on Montclairva.com for schedule and venue. You will receive a letter from the MPOA relating to the vote’s outcome and when the project can begin. Please Review Article 5 Guidelines.

**Support Documents to attach:**

These represent the minimum requirement, and additional information may be requested. See Section 5.4 of the Architectural Guidelines for details. Please check all boxes that apply to your project.

- Construction plats** are needed when property boundaries and setbacks are critical, e.g., fences, sheds.
- A site map** is required for locations, e.g., landscape. Trees to be removed need to be noted on the plat and physically marked (e.g. bright ribbon) on-the property.
- Samples or specifications** are needed to provide color, style, and material, e.g., siding, paint, windows, doors, roofs, sheds, and fences
- Alterations require a sketch or photo** for size and dimensions, in addition to the above. Significant construction, e.g., additions, require drawings and plans.
- A diagram, sketch, or photo** is needed to show affected locations on the house, modifications, additions, or replacement of architectural features.
- Docks** – MPOA Lake Management Committee approval, Permits, Master Dock Reference and items referenced in the **RPA Changes**.
- Sub-association approval letter or email**
- RPA Changes** – a copy of your plan, MPOA Lake Management Committee approval, RPA approval from Prince William County, and, if in a sub-association, an approval by the sub-association.

**Items required to be acknowledged by initials**

- \_\_\_\_\_ I have read the guidelines for my project.
- \_\_\_\_\_ I understand my lot may be inspected for my projects.
- \_\_\_\_\_ I understand that I am responsible for county approval (e.g., permit and zoning) and code compliance and that **approval of the PIR does not provide approval**.
- \_\_\_\_\_ I understand I have the right to appeal.
