Montclair Property Owners Association

Boat Registration

October 2026 – September 2027

All boats shall be registered annually in October at the MPOA office and shall display a current MPOA sticker. Boats **stored** within MPOA Common Areas at West Beach shall display current MPOA stickers on the port side of the bow. Boats **moored** at owner's dock and/or boats stored on owner's dock shall display current MPOA stickers in a location that is visible from the water. Boats stored at West Beach must pay an annual $25 fee for each boat. Boats stored within MPOA Common Areas at West Beach that do not have a current MPOA sticker on the port side of their boat **by 10 November will be subject to a $15 fine for each boat**.

MPOA prohibits gas engines from being operated on Lake Montclair. Installed engines must be tilted out of the water. No boat with a gas tank may be used, stored, docked, moored or fueled on the lake.

Residents of Montclair must make all reasonable efforts to prevent introduction of invasive/nuisance aquatic species into Lake Montclair. This includes the following:

1) Draining all water from boats and ballast, bilges, live wells, and engine cooling water before leaving or entering another body of water.
2) Removal of visible debris, plants and animals from boats and trailers when leaving a body of water.
3) All boats must be treated with a thorough scrubbing between bodies of water.
4) All boats must be allowed to dry between bodies of water. Dry times vary based on weather and type of material.
